#### We are looking for a facilitator

for the event taking place on Monday 20th January in Brussels.

### ***Raising young people's voices for the future of Europe***

***20 January 2020 | Brussels***

Are you a dynamic person, someone who has public-speaking skills and do you possess in-depth knowledge and experience of conference facilitating? If so, UEF invites you to apply to become a facilitator for the "I Choose Europe" Campaign Final Conference "Raising Young People's Voices for the Future of Europe" that will be held on 20<sup>th</sup> and 21<sup>st</sup> of January 2020 in Brussels, Belgium.

The facilitators will be expected to coordinate dynamic discussions on 20<sup>th</sup> of January on the past European Parliament Elections campaign and on the role of young people in shaping positive narratives to build Europe's Future.

## What is it about?

The "I Choose Europe" campaign has been led by civil society organizations, aiming to strengthen young people's public participation before and after the European Elections 2019. Before May 2019, we organized debates and public events intended to raise awareness of the European Elections and send a clear message to current and future decision-makers that young people's voices matter.

The closing conference will take place between 20-21 January 2020 in Brussels, Belgium. It will bring together young Europeans from all over the continent, civil society organizations, as well as representatives of the European institutions.

During the conference participants will have the opportunity to reflect on the "I Choose Europe" electoral campaign, as well as the role of youth and civil society in shaping Europe's future. Furthermore, a

## Who are we looking for?

We are looking for a facilitator who:

- Is familiar with UEF and JEF work;
- Is able to facilitate interactive meetings; provide inspiring input for discussions, coordinate and summarise contributions of the participants, connect young participants to each other and present results of the various sessions;
- Has strong communication skills and intercultural sensitivity;
- Is willing to commit sufficient time and effort into the content preparation and setup of the Conference.

## What is expected from the Facilitator?

The selected facilitator will lead the first day of the “Raising Young People’s Voices for the Future of Europe” Conference and tie the different sessions together through engaging methods as agreed upon with the International Secretariat of UEF, which will be clarified once you get the position of a facilitator.
